

Deadly Reckoning by Robt. Day

85% of the casualties in 1960 involved driver error.

Schools to Distribute FBI Posters to Young Pupils

An educational poster, distributed nationally by the Federal Bureau of Investigation, has been placed in Torrance schools and will be given to students in the first five grades, it was reported here this week by Assistant Chief of Police M. H. Porter.

Porter, a graduate of the FBI National Academy, said the 12,300 children in the city's first five grade levels will be asked by their teachers to color a picture showing the dangers offered by the presence of strangers, and to memorize a set of rules.

The poster shows a small girl leaving a school while a strange man, sack of candy in hand, loiters nearby.

RULES WHICH the children will be asked to memorize have

been set forth over the signature of J. Edgar Hoover, director of the FBI. Hoover suggests that children, for their protection, should remember to:

- Turn down gifts from strangers,
- Refuse rides offered by strangers,
- Avoid dark and lonely streets, and
- Know your local policeman.

"THE TORRANCE Police Department has received complete cooperation from the Torrance Unified School District for the distribution of the posters," Chief Porter said.

"With the approach of vacation time for our school children when they will be enjoying happy, carefree hours, it is doubly important that all par-

Know Your Traffic Laws

Prepared in Cooperation With the Torrance Police Department

Traffic Box Score (As of April 1)*	
Fatalities	6
Injury Accidents	166
Persons Injured	253
Non-Injury Accidents	214
Box score of all accident investigated by Torrance Police Department since Jan. 1, 1961	

In an effort to eliminate any confusion the driver may have in regards to Where To Make a U-Turn the Torrance traffic division lists the following rules that apply:

1. - Where there are traffic signals you may make a U-turn only when a sign is posted saying U-turn okay or permitted.
2. - In a business district, you may make a U-turn only at an intersection not controlled by traffic signal.
3. - In a residential area, you may make a U-turn only if there are no cars approaching within 200 feet.
4. - IT IS ILLEGAL to make a U-turn at any time in front of a Fire Station, and no vehicle may use the driveway of a station to turn around and go in the opposite direction.

5. - You may never make a U-turn across double lines on any roadway.

THIS IS probably one of the most confusing driving laws to motorists that we have stated Lt. Don Nash, Traffic Head, Torrance Traffic Division, Placing emphasis on safe driving habits it is our belief that an "informed driver is a better driver," he added.

Remember, Traffic laws are made and enforced to protect you, the motorist. Be courteous in your driving.

City of Hope Seeking Aid Of Merchants

Spearheaded by local City of Hope auxiliary leaders, a Merchants Membership Drive is being held here May 29-June 2 to enlist support for the free, nonsectarian Medical Center. The week-long effort will be held in addition to the annual one-day "Hope Sunday" door-to-door march, June 4.

Auxiliary volunteers will call on retail stores and business concerns to focus attention on the pilot medical center's need for assistance in its humanitarian work.

Participating in the Southland-wide store-to-store campaign will be more than 200 groups under the leadership of Louis Tabak, City of Hope president.

By becoming members of Retail Associates for the City of Hope, Tabak pointed out, merchants will help further the battle against such life-debilitating diseases as cancer, leukemia, blood, chest, and operable heart disorders.

ents once again emphasize to their youngsters the menace of the child molester," Hoover said in transmitting the posters to the Torrance police.

More than 10 million of the posters have been distributed throughout the United States, Hoover reported.

BRIGHT PATTERN APRONS

Buick's lively go and sleek Clean Look are at home driving up to the smartest homes in Beverly Hills!

At home in the hills

Buick's big Wildcat V-8 and trigger-quick Turbine Drive climb hills like a homesick angel!

Pick the steepest hill in Beverly Hills (or any other hill around) — and point a Buick at it. Then sit back and let Buick's Wildcat V-8 engine and Turbine Drive (no extra cost!) turn it into a molehill! With this best of all Buicks, you've got power to spare for the most challenging grades. Dead level cornering for the twistiest turns. A smooth Control Arm ride for the roughest roads.

But, this beauty's just as much fun heading downhill, too. Big fin-cooled aluminum brakes (hailed as the best in the business) give you sports car stopping power to match Buick's sports car go-power. The looks, the ride, the pride of owning a Buick can be yours easier than you think. Your Buick Dealer will be happy to prove it to you. Why not now?
